

XPORT 360

Take control of overseas sales...

Are you going to massively increase your home market sales revenue over the next year?
Are things expanding on the domestic front?
If the answers are no, why not bring a new focus into your business – engage our XPORT FOCUS team.

[Click here to find out more at XportFocus.com](http://XportFocus.com)

Transaction Focus do not just produce market research reports and deliver workshops. We generate sales orders in the export markets of your choice or assist your existing export sales efforts by making them more effective.

Transaction Focus has a network of sales professionals across Europe,

Asia and North and South America. All of our management teams across the World have lived and worked in several countries.

Our XPORT teams are lean , fast-paced, practical and structured in their approach. We will reduce your new market entry risk and investment cost of breaking into new markets.

For all general enquiries please call: +44 (0)845 130 9384 www.transactionfocus.com
